Who Can Come

Alameda County residents transporting wastes they generated in the course of living in and maintaining their place of residence. This includes homeowners, renters, condo residents, apartment dwellers, and trailer park residents. **Please bring proof of residency with you (driver's license, tax bill, or utility bill showing your current Alameda County address).**

WHO CAN'T COME

Businesses, Apartment & Condominium Managers, Clubs, Non Profit Organizations, For Hire Haulers, Contractors, Painters.
Call (510) 670-6460 and ask about our low cost Small Business Program

How to Package

All materials must be packaged in sturdy, non-leaking, closed containers. **No individual container may be greater than 5 gallons or 50 pounds in size.** If you have a leaking container, place it in a larger, non-leaking container (such as a plastic bucket available from paint stores); include the original label or a note with as much information as possible about the material and its ingredients. **Do not mix different wastes in the same container.** Place the materials upright in your vehicle; for safety, we recommend placing materials in boxes in your vehicle's trunk. Pack the materials so they will not slide, tip over, spill or break during transport. Please drive carefully! **Once you are at our facilities, our staff will unload your wastes.** At your request, we will save your motor oil and gasoline cans. Label them with your name and phone number; they must be picked up on the same day after 3:00 p.m.

How Much

State law limits the total amount you may transport in one vehicle to 125 pounds or 15 gallons. Wastes must be transported by a resident of the household which generated the waste.
