

## 4<sup>th</sup> Grade Pre-Field Trip Lessons and Activities

Dear Teacher,

We are so pleased that you and your class will be joining us at the irecycle@school Education Center.

In order to prepare your students for the field trip experience, we have compiled and developed some lessons and activities.

Please share these activities and lessons with your students **before** you bring them to the education center.

### Pre-field trip lessons and activities overview

1. 4Rs Discovery Activity (KWHL) – An activity that will help your students about their upcoming field trip and the 4Rs. This activity includes a 4Rs Quiz and a set of 4Rs Pictographs to assist you in your pre-field trip discussion.
2. Doing the 4Rs video/DVD and Discussion Questions – A motivating and informative video/dvd for 4<sup>th</sup> grade students showing Alameda County kids practicing the 4Rs at home, school and play

We look forward to seeing you at the

irecycle@school Education Center!
