Ms. Cutter stated that she appreciates the Board tours as she was able to refer a neighbor to the DR3 mattress recycling facility in Oakland that the Board recently toured. Mr. Wolff stated that information on where to recycle is available to the public on our website.

Ms. Cutter stated that ACI is having labor issues with their MRF and the recycling workers. Ms. Cutter indicated that ACI is working to make the MRF more efficient and will probably negotiate better wages and benefits for their workers. She also spoke to them about organics and asked that StopWaste staff encourage them in that area. Mr. Wolff stated that the city of Oakland spoke with ILWU to make sure that the recycling workers are paid properly under the new franchise agreement. Additionally, a representative from the International Longshoreman and Warehouse Union (ILWU) will be meeting with StopWaste staff to discuss this issue.

Mr. Wolff asked that Board members reply to his email request regarding the April 23 joint meeting. The meeting will include a closed session item and is proposed to begin with the closed session at 2:30 p.m. The regular meeting will begin at 3:00 p.m. Ms. Cutter confirmed her attendance for both sessions.
