Meeting is wheelchair accessible. Sign language interpreter may be available upon five (5) days notice by calling 510-891-6500. Members of the public wanting to add an item to a future agenda may contact 510-891-6500.

I. CALL TO ORDER

II. ROLL CALL OF ATTENDANCE

III. ANNOUNCEMENTS BY PRESIDENTS - (Members are asked to please advise the board or the council if you might need to leave before action items are completed)

IV. OPEN PUBLIC DISCUSSION FROM THE FLOOR
An opportunity is provided for any member of the public wishing to speak on any matter within the jurisdiction of the boards or council, but not listed on the agenda. Total time limit of 30 minutes with each speaker limited to three minutes unless a shorter period of time is set by the President.

V. CONSENT CALENDAR

1 1. Approval of the Draft Joint Minutes of April 24, 2019 (Wendy Sommer)

7 2. Resolution - Castro Valley Sanitary District (Wendy Sommer)
That the WMA Board adopt the attached resolution “Celebrating and Commending the 80th Anniversary of the Castro Valley Sanitary District”

VI. REGULAR CALENDAR

9 1. Proposed FY 2019-20 Budget (Wendy Sommer & Pat Cabrera)
Staff recommends that the WMA Board adopt the WMA FY 19-20 Budget Resolution (Attachment A) and the Energy Council adopt the EC FY 19-20 Budget Resolution (Attachment B).
2. Interim appointment(s) to the Recycling Board for WMA appointee unable to attend future Board Meeting(s) (Wendy Sommer)
   (Planning Committee and Recycling Board meeting, June 13, 2019 at 4:00 pm, StopWaste Offices, 1537 Webster Street, Oakland, CA)

VII. MEMBER COMMENTS AND COMMUNICATIONS FROM THE EXECUTIVE DIRECTOR

VIII. 2019 STOPWASTE BUSINESS EFFICIENCY AWARDS (Michelle Fay)

IX. ADJOURNMENT
I. CALL TO ORDER
President Dave Sadoff, WMA, called the meeting to order at 3:00 p.m.

II. ROLL CALL OF ATTENDANCE
City of Alameda
City of Albany
County of Alameda
City of Berkeley
Castro Valley Sanitary District
City of Dublin
City of Emeryville
City of Fremont
City of Hayward
City of Livermore
City of Newark
City of Oakland
Oro Loma Sanitary District
City of Piedmont
Jim Oddie, WMA, EC, RB
Rochelle Nason, WMA, EC
Scott Haggerty, WMA, EC
Susan Wengraf, WMA, EC
Dave Sadoff, WMA, RB
Melissa Hernandez, WMA, EC (teleconference)
Ally Medina, WMA, EC
Jenny Kassan, WMA, EC
Francisco Zermeño, WMA, EC, RB
Bob Carling, WMA, EC
Mike Hannon, WMA, EC
Dan Kalb, WMA, EC
Shelia Young, WMA
Tim Rood, WMA, EC (teleconference)
III. ANNOUNCEMENTS BY PRESIDENTS
There were none.

IV. OPEN PUBLIC DISCUSSION FROM THE FLOOR
Arthur Boone provided public comment on his opposition to the Davis Street OMRF and his opposition to mixed waste processing of materials. Mr. Boone distributed a handout (attached).

V. CONSENT CALENDAR
1. Approval of the Draft WMA/EC Minutes of March 27, 2019 (Wendy Sommer)
2. Approval of the Draft PC/RB Minutes of March 14, 2019 (Jeff Becerra)
3. Recycling Board Attendance Record (Jeff Becerra)
4. Written Report of Ex Parte Communications (Jeff Becerra)

There were no public comments for the Consent Calendar. Board member Young made the motion to approve the Consent Calendar. Board member Hannon seconded and the motion carried by the following vote count: WMA/EC 19-0: PC/RB 8-0:

VI. REGULAR CALENDAR
1. Draft FY 2019-20 Budget Presentation (Wendy Sommer & Pat Cabrera)
   This item is for information only.
(Ally Medina, alternate for the City of Emeryville, arrived during the presentation). Wendy Sommer provided an overview of the agency’s goals and accomplishments, most essential services, as well as highlights of program activities. The WMA and Energy Council will be asked to consider adopting their Fiscal Year 2019-2020 budget at the May 22 meeting, and the Recycling Board at the June 13 meeting. Pat Cabrera provided an overview of the agency’s financial activities. A link to the staff report and the budget presentation is available here: FY19-20 Budget-Presentation.pdf. A link to the FY 2019-2020 budget is available here: FY19-20-Budget.pdf.

Ms. Sommer reminded the Board that the Business Recognition Awards will be held at the May 22 WMA/EC Board meeting. The agency received 14 nominations and six businesses were selected and will be recognized at the event. The awardees are: Semifreddi’s Bakery and Honolulu’s Barbeque, Alameda; Urban Bloc, San Leandro; Isla Restaurant, Newark; Sodexo, Fremont; and Vericool, Livermore. Ms. Sommer also announced that the grant funding round for FY 18-19 is now open and Board members should have received an email notification from the Clerk of the Board, Arliss Dunn. Ms. Sommer displayed a visual of the updates to the website. Most notably, the Board information page is now a full-service landing page with easy access to agendas and minutes as well as the E-News and Topic Briefs. Ms. Sommer recognized agency staff for their efforts in producing the budget.

Board member Hannon commended staff for a great job on the project descriptions and inquired if there is a summary of specific performance targets for each of the project activities. Ms. Sommer stated that each project lead has a goal with regard to specific targets that they want to meet, e.g. 1,000 technical assistant engagements, etc. Board member Hannon inquired if the FY 18-19 activities that were not accomplished are encapsulated in the FY 19-20 activities. Ms. Sommer stated yes, any prior year activities that were not realized are moved to FY 19-20. President Sadoff stated with respect to single use bags that the data indicates that half of the inspections received violations and inquired if there is a specific sector that is not complying with the ordinance. Elese Lebsack stated that they are finding that the compliance rate is fairly similar between retail and restaurants, however there is a 10% higher rate among restaurants, but the violations are evenly matched. Board member Kalb stated that there is a noticeable increase in vendors using the heavier plastic bags and inquired if we are messaging to retailers to offer paper or cloth bags and not the plastic bags. Ms. Lebsack stated that when the Outreach Assistant engages with the restaurants in person we are encouraging them to use paper bags because they are not charging the customer a fee for the bag and the paper bags can be composted. However, technically, under the ordinance, both and paper and plastic are allowed. Ms. Sommer stated unfortunately there are unintended consequences as there will be with a single-use plastic ordinance. President Sadoff thanked staff for a great presentation.

2. **Interim appointment(s) to the Recycling Board for WMA appointee unable to attend future Board Meeting(s) (Wendy Sommer)**

Planning Committee and Recycling Board meeting, Thursday, May 9, 2019 at 7:00 pm, Castro Valley Public Library, 3600 Norbridge Ave, Castro Valley, CA 94546.

There were no requests for an interim appointment.

VII. **MEMBER COMMENTS AND COMMUNICATIONS FROM THE EXECUTIVE DIRECTOR**

Board member Zermeño notified the Board that he would be unable to attend the July 24 WMA/EC meeting and the August 8 PC/RB meeting and asked for an interim appointment for the PC/RB meeting. Ms. Sommer informed Board member Zermeño that he would be able to request an interim appointment for the PC/RB meeting at the June WMA/EC meeting. President Sadoff announced that earlier this month, the Castro Valley Sanitary District (CVSan) was honored to receive the California
Water Environment Association (CWEA)’s 2018 Collection System of the Year Award for the State of California’s Small Collection System Category. Ms. Sommer reminded the Board of the vacancy on the recycling board in the category of Environmental Organization. Board members will have a group picture taken at the May 22 WMA/EC meeting and business awards event that will be posted on the StopWaste website.

VIII. ADJOURNMENT
The meeting was adjourned at 3:40 p.m.
Decades-long recycling ride leaves our founder smiling

By Jerry Powell, executive editor

My career trip as an editor started 38 years ago in a small office in Old Sacramento, where my wife and I launched Resource Recycling magazine. I was the only employee.

My joyful adventure as the owner of a recycling publishing and conference company has now ended: In early March 2019, my wife and I sold our firm, Resource Recycling, Inc., to the Association of Plastic Recyclers (APR).

In its early years, Resource Recycling magazine reported on the amazing growth of consumer recycling systems. As material recovery increased, so did our firm. We eventually added publishing assets in the fields of plastics and electronics recycling, and we launched conferences in all three areas.

As the digital age emerged, we added online stories and e-newsletters to our product line. The firm now is the largest distributor of digital news in recycling, with 63,000 readers each week, and the company’s conferences have a total of about 4,000 attendees, 200 sponsors and nearly 400 exhibitors each year. The conferences are the largest in their fields.

When I look back on nearly four decades of reporting, I have several major reasons to be pleased. First, recycling is not dull, as innovation never ceases in this industry. We’ve seen remarkable advancements, such as optical sorting and the use of post-consumer plastic resin in food-contact applications. We’ve also seen stupid ideas fail, such as mixed solid waste composting. We now see fewer but larger businesses in this field due to consolidation (this is most noted in the waste management and recycling collection sector).

Also, the workforce is far more diverse than in the past, especially with women now more prevalent in managerial positions. Too, what was originally a domestic industry is now a global enterprise.

With so much seminal change happening, it has been an invigorating experience to report on recycling’s formation and maturation. Every day is a fun challenge in terms of trying to get the story correct.

The second major reason why my career has been so enjoyable was the opportunity to work with a remarkable group of employees over the years. Environmental publishing and conference management attracts a unique set of talented people who have a desire to make the Earth a better place to live. They work hard, they play hard, and we have fun. Because of the work they do, my employees are rightfully seen as major recycling experts.

It’s been gratifying to see the levels of achievement attained by many of my former employees, with trade groups, businesses and government agencies seeking out these knowledgeable individuals.

I am extremely pleased about the new ownership of our company. We have had a business arrangement with APR for more than a decade, and we have great respect for their staff and board. The association was a natural choice for us, as the organization has guaranteed that all of our current staff will be retained, that the staff will maintain full editorial and conference agenda freedom, and that our office will stay in wondrous Portland, Ore. What’s to dislike about such a deal? Nothing.

The only wish I have after all this time is that readers of this editorial have as much enjoyment in their careers as I have had in mine.
September 15, 2016

Scott Smithline
Director, CalRecycle
1001 I Street – PO Box 4025
Sacramento, CA 95814-4025

RE: Letter of Support – CalRecycle GHG Organics Grant Program

Dear Mr. Smithline:

I am writing in support of Waste Management of Alameda County, Inc’s application for grant funding of its innovative, end-of-the-line solution to capture organics before they reach our landfills.

Our current Strategic Plan goal is for landfilled material from Alameda County to be comprised of less than 10 percent “readily recyclable or compostable materials” by 2020. It is an ambitious goal supported by our Mandatory Commercial and Multi-family Recycling Ordinance and the three-stream residential collection system adopted by our 17-member jurisdictions. Diverting recyclables and compostables at the source is the focus of our outreach and enforcement efforts. However, as our 2015 Benchmark Study revealed, significant volumes of food waste are still going to our landfills.

We believe the Organics Material Recovery Facility ("OMRF") proposed by Waste Management for its Davis Street facility in San Leandro can play a vital role in helping Alameda County achieve its resource conservation goals as well as reduce greenhouse gas emissions and extend the life of our in-county landfills. An additional benefit will be the “recovery of last resort” of recyclables from the processed waste stream, bringing us closer to achieving our long-term goals.

Waste Management has long been a valued partner in our campaign to stop waste in Alameda County. We entered into an incentives-based partnership with Waste Management at the Davis Street Transfer Station to build and operate the first and most robust Construction and Demolition mixed debris recycling line in our county back in 2002, and they have been an invaluable partner in our schools outreach efforts, providing space for our Education Center classroom at Davis Street from which we provide hundreds of tours to thousands of elementary school students each year.

We believe the OMRF is an innovative step that will take us closer to reaching our diversion goals, and we heartily support Waste Management’s grant application to bring this technology to Alameda County. With CalRecycle’s assistance, California will be home to the most technologically advanced organics diversion efforts in the country. Thank you for your consideration.

Sincerely,
Wendy Sommer
Executive Director
Resolution
RESOLUTION #WMA 2019 -
MOVED:
SECONDED:

AT THE MEETING HELD MAY 22, 2019

CELEBRATING AND COMMENDING THE 80TH ANNIVERSARY OF THE CASTRO VALLEY SANITARY DISTRICT

WHEREAS, the Castro Valley Sanitary District (CVSan) was established July 25, 1939 and is now celebrating its eightieth year; and,

WHEREAS, over the past 80 years, CVSan has provided its customers with excellent service, and has contributed to the health of its community through education and projects, such as the horizontal levee partnership with Oro Loma Sanitary District, that protect San Francisco Bay; and,

WHEREAS, CVSan provides high quality wastewater collection at one of the lowest rates in Alameda County and well below the state average rate; and,

WHEREAS, CVSan has a lower sanitary sewer overflow rate than the State of California average and has achieved 12 years of no lost time due to workplace accidents; and,

WHEREAS, in addition to wastewater, CVSan provides recycling, organics and garbage collection, and is a member of the Alameda County Waste Management Authority, a countywide organization reducing waste and diverting materials from the landfill into reuse, recycle, and compost; and,

WHEREAS, after the enactment of AB 939 mandating reduction of the amount of material sent to landfill, CVSan implemented a residential curbside recycling program in April of 1991, a yard waste collection program in 1994 and organics collection program in 2002, all resulting in CVSan approaching its goal of 75% diversion; and,

WHEREAS, CVSan is a leader in residential and commercial recycling and organics collection; and,

WHEREAS, CVSan adopted a Zero Waste Goal by 2019 on October 7, 2014 and directed staff to further research and pursue initiatives in CVSan’s Zero Waste Strategic Plan to achieve the Goal; and,

WHEREAS, in its 80 years of service, CVSan has changed as the community has changed from providing service to a primarily agrarian constituency to a sophisticated progressive environmentally concerned organization; and,

WHEREAS, over the course of its 80-year history, CVSan has been the recipient of numerous wastewater and solid waste industry awards and is positioned to meet the needs of the community now and well into the future.

NOW, THEREFORE, BE IT PROCLAIMED, that CVSan be congratulated and commended on the celebration of its eightieth anniversary and on the vital role it has played in the community it serves.

PRESENTED, this 22nd day of May, 2019.

Wendy Sommer, Executive Director
This page intentionally left blank
DATE: May 22, 2019

TO: Waste Management Authority Board (WMA)
Energy Council (EC)

FROM: Wendy Sommer, Executive Director
Pat Cabrera, Administrative Services Director

SUBJECT: Proposed FY 2019-20 Budget

SUMMARY
At the May 22, 2019 WMA meeting, staff will ask the WMA Board and the Energy Council to adopt their respective FY 2019-20 budgets.

DISCUSSION
The proposed budget for FY 2019-20 was presented at a combined meeting of the WMA, Recycling Board and EC on April 24, 2019. The staff memo and PowerPoint presentation from the April 24 combined board meeting is available at: FY-19-20-Budget-Presentation.pdf

The presentation at this meeting was well received, and there were no requests for changes to the budget. However, under the fee section on page ii-3 there is a minor correction regarding the proposed HHW fee.

The proposed fee should be $6.64 per residential property unit (not $6.60 as originally shown). The budget document has been corrected to reflect this amount.

The proposed FY 19-20 budget totals approximately $32.5 million, with the following breakdown:

- WMA: $12,167,128
- Energy Council: $8,095,322
- Recycling Board: $12,236,530

Some projects are funded using both WMA and Recycling Board funds. The Agency’s core budget is approximately $10.6 million, which is consistent with the FY 18-19 core budget. Estimated total year-end core fund balances and reserves amount to $23.0 million.

RECOMMENDATION
That the WMA Board adopt the WMA FY 19-20 Budget Resolution (Attachment A) and the Energy Council adopt the EC FY 19-20 Budget Resolution (Attachment B)

Attachment A: WMA Budget Resolution
Attachment B: EC Budget Resolution
Attachment C: Salary Ranges and Steps, and Authorized Positions
Attachment D: Link to Annual Budget — Fiscal Year 2019-20
ATTACHMENT A

ALAMEDA COUNTY WASTE MANAGEMENT AUTHORITY
RESOLUTION #WMA 2019 -

MOVED:
SECONDED:

AT THE MEETING HELD MAY 22, 2019

THE ALAMEDA COUNTY WASTE MANAGEMENT AUTHORITY AUTHORIZES ADOPTION OF
THE FISCAL YEAR 2019-20 BUDGET; PROJECT CONTRACTS; AND AUTHORIZED POSITIONS AND SALARY
SCHEDULE

WHEREAS, a preliminary budget for Fiscal Year 2019-20 has been developed that incorporates programs and
projects based on the guiding principles adopted by the Board; and

WHEREAS, this budget was presented at the joint meeting of the Alameda County Waste Management
Authority, the Alameda County Source Reduction and Recycling Board and the Energy Council, held on April 24,
2019 for review and comment; and,

WHEREAS, legal notice of the public hearing of the budget has been provided, and the matter scheduled on the
May 22, 2019 Authority agenda for adoption.

NOW THEREFORE, BE IT RESOLVED that the Alameda County Waste Management Authority hereby:

1. Adopts the WMA’s portion of the Annual Budget, Fiscal Year 2019-20 (Attachment C) with
   expenditures totaling $12,167,128 and authorizes staff to proceed with Authority administration,
   programs and operations in accordance with the adopted budget, effective July 1, 2019.

2. Authorizes the attached salary schedule and authorized positions (Attachment D).

3. Authorizes the following new or augmented contracts and/or spending authority subject to approval
   as to form by Legal Counsel, and consistent with the WMA’s purchasing policy:

Contracts/Spending Authority by Project:
FY 18-19

MRO and General Overhead
Robert Half International: Office Team $  20,000
Additional temporary help due to unexpected support staff departures

FY 19-20

Packaging
Cascadia Consulting Group $  15,000
Technical assistance for reusable transport packaging
Gigantic Idea Studio $  25,000
Marketing and outreach support

Food Waste Reduction
Zero Company $  70,000
Online media purchases including digital/mobile ads, facebook, gmail ads, etc.

*** Serves as the Agency’s Treasurer pursuant to the Agency’s investment policy and applicable state law.
DATE: May 22, 2019

TO: Waste Management Authority Board

FROM: Michelle Fay, Program Manager

SUBJECT: 2019 Business Efficiency Awards

SUMMARY

The 2019 StopWaste Business Efficiency Awards will be presented during the May 22 WMA Board meeting, recognizing six Alameda County businesses for their efforts to reduce waste. Doors will open at 2:30 p.m. for attendees to enjoy light refreshments and networking before the meeting is called to order at 3:00 p.m. Board members with awardees in their jurisdiction will be asked to hand the award to the business representative.

DISCUSSION

After a call for nominations from Board members, member agency staff, hauler representatives, Agency staff and partners, StopWaste received 14 nominations representing businesses in 11 Alameda County cities. Each nomination was evaluated based on environmental benefit, innovation, leadership and replicability. Geographic distribution, industry representation and compliance with the Mandatory Recycling Ordinance were also considered. We are pleased to share the following list of selected awardees:

**Honolulu BBQ – Alameda**

Excellence in Disposable Foodware Reduction

Honolulu BBQ implemented reusable foodware for onsite dining, eliminating over 100,000 pieces of disposable foodware items per year. The switch to reusables prevents close to 2,000 pounds of waste and saves the small Alameda restaurant more than $3,000 a year.

**Isla Restaurant – Newark**

Excellence in Recycling & Composting

Prompted by a Mandatory Recycling Ordinance warning letter, this Filipino sit-down restaurant worked with a Business Assistance Team member to set up a successful organics collection program. With ongoing staff training provided by management, Isla now has an exemplary diversion program in place. The program is going so well, management is developing plans for maximum waste diversion at their new location opening soon.
Semifreddi’s – Alameda
Excellence in Energy Efficiency, Recycling & Composting

When this family-owned Bay Area bread and pastry bakery moved to their Alameda facility, they decided to design a new kind of bakery with energy savings, waste prevention, and employee well-being in mind. Their efficient lighting system saves over 200,000 kWh per year and includes 44 solar tubes to bring natural light to their 140 employees. Many ingredients are sourced locally and delivered in reusable transport packaging to reduce waste. Extra food is donated, sent to chicken feed, or composted as a last resort.

Sodexo at Fremont Unified School District – Fremont
Excellence in Food Waste Reduction

As the contracted food service provider for Fremont Unified School District, Sodexo was instrumental in rolling out food share to all 39 K-12 schools in the District. Students place unwanted, unopened and unbitten foods on the food share table for other students to take or to be donated to food rescue organizations. One site, American High School, donated 2,000 pounds of edible surplus food in one school year.

UrbanBloc – San Leandro
Excellence in Waste Reduction & Reuse

When steel shipping containers reach the end of their useful life moving goods, UrbanBloc can upcycle them to create an energy efficient commercial building. Since January 2018, UrbanBloc has upcycled 15 shipping containers for uses ranging from ice cream and coffee shops to full kitchens for food service. Using modular designs, energy-efficient and recycled building materials whenever possible, less than 20 cubic yards of waste are generated at their San Leandro facility per year.

Vericool, Inc. – Livermore
Excellence in Recycling & Composting

Vericool, Inc. is a Livermore manufacturer that has developed a recyclable and compostable alternative to molded expanded polystyrene coolers. They actively work with hauler Livermore Sanitation Inc. to ensure maximum diversion and currently recycle and compost 85% of all their waste.
