VI. REGULAR CALENDAR

1. Draft FY 2019-20 Budget Presentation (Wendy Sommer & Pat Cabrera)
   This item is for information only.
(Ally Medina, alternate for the City of Emeryville, arrived during the presentation). Wendy Sommer provided an overview of the agency’s goals and accomplishments, most essential services, as well as highlights of program activities. The WMA and Energy Council will be asked to consider adopting their Fiscal Year 2019-2020 budget at the May 22 meeting, and the Recycling Board at the June 13 meeting. Pat Cabrera provided an overview of the agency’s financial activities. A link to the staff report and the budget presentation is available here: FY19-20 Budget-Presentation.pdf. A link to the FY 2019-2020 budget is available here: FY19-20-Budget.pdf.

Ms. Sommer reminded the Board that the Business Recognition Awards will be held at the May 22 WMA/EC Board meeting. The agency received 14 nominations and six businesses were selected and will be recognized at the event. The awardees are: Semifreddi’s Bakery and Honolulu’s Barbeque, Alameda; Urban Bloc, San Leandro; Isla Restaurant, Newark; Sodexo, Fremont; and Vericool, Livermore. Ms. Sommer also announced that the grant funding round for FY 18-19 is now open and Board members should have received an email notification from the Clerk of the Board, Arliss Dunn. Ms. Sommer displayed a visual of the updates to the website. Most notably, the Board information page is now a full-service landing page with easy access to agendas and minutes as well as the E-News and Topic Briefs. Ms. Sommer recognized agency staff for their efforts in producing the budget.

Board member Hannon commended staff for a great job on the project descriptions and inquired if there is a summary of specific performance targets for each of the project activities. Ms. Sommer stated that each project lead has a goal with regard to specific targets that they want to meet, e.g. 1,000 technical assistant engagements, etc. Board member Hannon inquired if the FY 18-19 activities that were not accomplished are encapsulated in the FY 19-20 activities. Ms. Sommer stated yes, any prior year activities that were not realized are moved to FY 19-20. President Sadoff stated with respect to single use bags that the data indicates that half of the inspections received violations and inquired if there is a specific sector that is not complying with the ordinance. Elese Lebsack stated that they are finding that the compliance rate is fairly similar between retail and restaurants, however there is a 10% higher rate among restaurants, but the violations are evenly matched. Board member Kalb stated that there is a noticeable increase in vendors using the heavier plastic bags and inquired if we are messaging to retailers to offer paper or cloth bags and not the plastic bags. Ms. Lebsack stated that when the Outreach Assistant engages with the restaurants in person we are encouraging them to use paper bags because they are not charging the customer a fee for the bag and the paper bags can be composted. However, technically, under the ordinance, both and paper and plastic are allowed. Ms. Sommer stated unfortunately there are unintended consequences as there will be with a single-use plastic ordinance. President Sadoff thanked staff for a great presentation.

President Sadoff announced that earlier this month, the Castro Valley Sanitary District (CVSan) was honored to receive the California
