3. Decline DROPS Funding and Amend FY16/17 Budget Action
   (Cassie Bartholomew & Kelly Schoonmaker)

   Wendy Sommer provided an overview of the staff report. The report is available here: Decline DROPS Grant
   memo.pdf
Board Member Martinez noted a typo on page 19 of the staff report. The sentence should state “finalize a $1.5 million grant.” Board member Martinez inquired if there would be future opportunities for DROPS funding. Kelly Schoonmaker responded no. The DROPS funding is an aggregate of three separate pots of bond funding and a primary reason for the hard deadline is that this funding will be expiring. However for the schools that would like to participate in stormwater projects, Prop 1 funding is becoming available from a different source through the Water Board. Board member Martinez inquired if staff feels that the Water Board has received clear feedback from the declining grantees of the obstacles and factors of not accepting the grant. Ms. Schoonmaker replied yes, staff has been in communication with them. Board member Martinez inquired if any of the projects that were going to be funded through stormwater projects will be going forward. Ms. Schoonmaker replied that there are four school sites in the grant and one school site has some projects that will be moving forward but the remaining three sites do not have project designs to move forward.

Board member Woerner inquired if the Water Board was concerned about the flaws in the program. Ms. Schoonmaker replied they are concerned and indicated that they would not repeat the same request for a conceptual proposal. Board Member Rood expressed that he was sorry that it fell through and requested a copy of the grant application as they may try and do something locally in Piedmont. Ms. Schoonmaker stated one of the positives of the program is that each of the school sites has a proposal that they can use to look for other funding. President Kalb asked if there will be opportunity to revisit this in the future. Ms. Sommer stated that staff will be reviewing all of the grants using the criteria set during the priority setting process.

Board member Rood made a motion to approve the staff recommendation, Board member Worthington seconded and the motion carried 17-0.

4. Reappointments to the Recycling Board-Board members Peter Maass and Tim Rood Action (Wendy Sommer)
