

November 30, 2015

StopWaste is the Alameda County Waste Management Authority, the Alameda County Source Reduction and Recycling Board, and the Energy Council operating as one public agency.

Mr./Ms. XXX  
City Manager  
Address  
City, CA XXXXX

**Subject: Quarterly Disbursement of Measure D Revenues July – Sept., 2015**

The Alameda County Waste Reduction and Recycling Initiative (Measure D), levies a surcharge on solid waste landfilled in unincorporated Alameda County. Fifty percent of Recycling Fund revenues are disbursed to cities and sanitary districts that meet criteria contained in the law. Funds disbursed to municipalities must be used "...for the continuation and expansion of municipal recycling programs." The quarterly Measure D disbursement for your jurisdiction, covering the period July - September 2015, is enclosed with the copy of this letter sent to your staff Technical Advisory Committee (TAC) representative or designee.

At the November 13, 2014 meeting the Recycling Board revised its policy on the allowable level of unspent Recycling Fund monies municipalities accrue before triggering a requirement for a Board-approved Expenditure Plan. The threshold level was increased significantly: from the sum of the last 8 quarterly disbursements (which has been declining over time) to an amount equal to \$8 per capita. That policy, and other relevant policies, reports, correspondence and forms, may be accessed at:

If you have any questions about the provisions of Measure D, please contact me or Tom Padia, Source Reduction & Recycling Director, at (510) 891-6500.

Sincerely,

Gary Wolff, Executive Director
