

Make an Action Hero Journal this year by saving each month's Earth Tips page!

Cut out each month's Earth Tips activity page and paste it on a sheet of binder paper. On the back, keep a journal of action steps you have taken to take good care of our planet. You'll be a real Action Hero!

I'm Super Reducer! I show people how to use less stuff!

I'm Rot Girl! I show you how to compost food scraps, yard waste and food-soiled paper!

I'm The Recycler! I remind you to recycle stuff you no longer need, instead of trashing it.

I'm Professor Reuse! I show people how to reuse things rather than getting new stuff!

(Re)look at Nature

To relook means to look again at something, to re-examine. Go to your window or take a walk and relook at things using this scavenger hunt by Ranger Morgan from the East Bay Regional Park District.

Nearby Nature Scavenger Hunt

Explore your neighborhood, look out of your window, discover a nearby park and check around your home to find as many things as you can!
