

STOPWASTE SCHOOLS PRESENTS THE 7TH ANNUAL

MAY THE 4RS BE WITH YOU

ART & MEDIA CONTEST

CALLING ALL ACTION HEROES AND AMBASSADORS!

Join youth and families across Alameda County in sharing your stories of climate action and community that represent how you are part of the (Re)Generation - an intergenerational collective identity for people committed to building a regenerative earth. Through any storytelling medium that you choose (i.e. video, song, dance, illustration, written or oral stories, and more), showcase how you use the 4Rs (Reduce, Reuse, Recycle & Rot) or come up with your own "R" actions to inspire others.

THIS YEAR'S THEME IS RETHINK BEFORE YOU TOSS

For this year's contest, highlight how you take action to reduce or prevent waste from being tossed into the landfill bin by rethinking. How could you not create waste in the first place? Do you educate your school community or your family on how to sort properly? Do you make sure all your waste makes it into a bin and doesn't end up as litter? Creatively share your action story!
