NO SEW REUSABLE T-SHIRT BAGS

What better way to carry your groceries and purchases than to reuse an old favorite T-shirt and transform it into a reusable bag! It's not only easy to make, but your bag will surely be an inspiration for many to make their own personalized fashionable bag.

Materials

- Reusable T Shirt
- Sharp Scissors
- Ruler (optional)
- Cloth Markers or Iron-ons (optional)

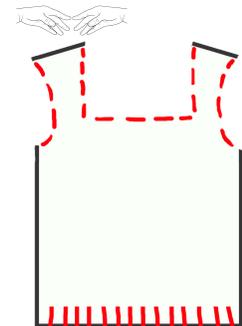

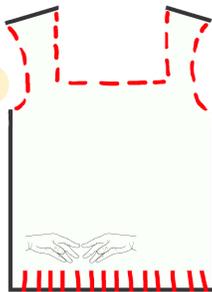

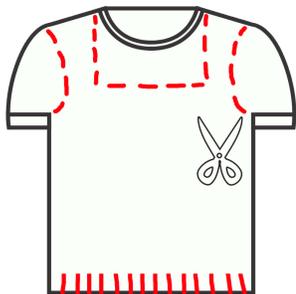

Instructions

1. Cut off sleeves by cutting along the seams. Cut out collar in a square shape and finally, cut an even amount of strips along the bottom of shirt. Lines show where you will cut. Optional - Use a ruler for straight lines.

2. Tie double knots along the bottom of the shirt matching front with back.

3. Tie shoulder straps and they turn into handles. Tie your straps in different ways for other looks. Have fun!
