Step 2

Engage in 4Rs Activities

Complete one activity or complete them all. You decide how your students engage with our materials: Examples of StopWaste's 4Rs Litter Free Activities recommended by grade level:

Tk-3rd Grade

- Earth Tip Sheets
- Litter Free Coloring Page
- Use Reusables Coloring Page

4th- 6th Grade

- Video: Oil to Plastic
- Doing the 4Rs Lesson: Oil to Plastic 101

Middle-High School

- We are the (Re)Generation Toolkit

Step 3

Take Action!

Facilitate your students to take action to address litter pollution at home, at school or in their community!

Examples of StopWaste Litter Free Action Projects:

- **Garbologist Storm Drain Investigation:** Observe a nearby storm drain
- **Citizen Science Litter Clean Up:** Collect and submit data on litter in your neighborhood

Other ways to take action:

- **Litterati:** Photograph and document found pieces of litter
- **Ocean Conservancy CleanSwell:** Document litter clean ups and collect data on litter items found

Step 4

Share Your Actions

Share with us how you took action to create a healthier planet. StopWaste will compile all community actions to showcase our collective impact.

Examples of ways to report back:

- **Mission Report Back Letters:** Students author letters to share how they took action
- **Teacher/Parent Report Back:** Teachers share how they used the 4Rs Activities to take action
- **Get Creative!** Students or classes create an art piece, presentation etc. to share your actions

Step 5

Celebrate your Success

Now that you've taken action, join the League of 4Rs Action Heroes and celebrate!

Examples of StopWaste Activities to Celebrate:

- **Create Your Own Action Hero Identity**
- **4Rs Celebration Gallery:** Publish your story on our action slide show
- **May the 4Rs Be With You Contest:** Enter your actions in our contest and win prizes
