

STOP WASTE

May the 4Rs Be With You Contest 2023

Amelie Staw, Oakland

Honorable Mention Elementary Illustration

My 4Rs: Reduce, Reuse, Recycle

My (Re)Generation Action Story:

I chose a tree because they are very beautiful and what you think of when you say "nature". Also trees/ nature have a very big impact on our world. So the more you Reduce, Reuse, and Recycle the more nature we will preserve.
