May the 4Rs Be With You Contest 2021

My 4Rs: Rebuilding, Repurposing, Reorganize, Reuse, Recreate**My (Re)Generation Action Story:**

Our family are trying to help and save the environment by Rebuilding a school project from cardboard boxes, also Repurposing the gallon of milk to water the plant. We Reorganize all our toys/school supplies and kitchen pantry using jars , containers from to go restaurant and shoe boxes. Although we just Reuse small things, we hope we can Recreate a big effects to our environment.
