StopWaste is the Alameda County Waste Management Authority, the Alameda County Source Reduction and Recycling Board, and the Energy Council operating as one public agency.

Subject: Quarterly Disbursement of Measure D Revenues October – December 2018

The Alameda County Waste Reduction and Recycling Initiative (Measure D), levies a surcharge on solid waste landfilled in unincorporated Alameda County. Fifty percent of Recycling Fund revenues are disbursed to cities and sanitary districts that meet criteria contained in the law. Funds disbursed to municipalities must be used "...for the continuation and expansion of municipal recycling programs." The quarterly Measure D disbursement for your jurisdiction, covering the period July – September, 2018, is enclosed with the copy of this letter sent to your staff Technical Advisory Committee (TAC) representative or designee. Per Board policy, the population numbers are adjusted to CA Dept. of Finance Table E-5 data in even numbered years for disbursements made at the end of August. Population numbers were updated in August 2018 in accordance with board policy. Updated population numbers per city can be found on page 2 of this document, titled Chart of Allocations.

Member Agencies:

- Alameda County

In the spirit of source reduction, this quarter we will only be mailing one set of Measure D hard copy correspondences (Measure D check, original letter and other relevant Measure D items) to the identified member agency staff who currently receives the Measure D check. All other recipients of Measure D correspondences will now receive the documents via email. If your member agency staff would prefer to continue to receive hard copies in lieu of an email, please advise StopWaste staff Meri Soll at msoll@stopwaste.org of this preference.

Please note that Tom Padia is now retired. Questions about the provisions of Measure D should now be directed Meri Soll (email above) or Wendy Sommer, Executive Director.

Sincerely,

Meri Soll, Senior Program Manager
