Subject: Quarterly Disbursement of Measure D Revenues October - December 2017

The Alameda County Waste Reduction and Recycling Initiative (Measure D), levies a surcharge on solid waste landfilled in unincorporated Alameda County. Fifty percent of Recycling Fund revenues are disbursed to cities and sanitary districts that meet criteria contained in the law. Funds disbursed to municipalities must be used "...for the continuation and expansion of municipal recycling programs." The quarterly Measure D disbursement for your jurisdiction, covering the period October - December 2017, is enclosed with the copy of this letter sent to your staff Technical Advisory Committee (TAC) representative or designee. Per Board policy, the population numbers are adjusted to CA Dept. of Finance Table E-5 data in even numbered years for disbursements made at the end of August.
