IV. REGULAR CALENDAR

1. Revisions to the Agency’s Purchasing Policy (Timothy Burroughs & Pat Cabrera)

   That the Programs and Administration Committee approve the revised purchasing policy and forward to the WMA Board for adoption.

Timothy Burroughs introduced the item and Pat Cabrera provided an overview of the staff report. A link to the report is available here: Purchasing-Policy-Update-memo.pdf. Additional time was provided to the Committee for discussion and clarifying questions. An audio link to the discussion is available here: Purchasing-Policy-Discussion.

Board member Hannon asked that going forward staff include StopWaste in the comparative list of agencies listed in the attachment to the memo in order to make the information more clear and easier to review. Board member Hannon asked for an example of what would constitute an emergency that would trigger emergency authorization of spending, and to also include language in the policy that would require the Executive Director to notify the President of the Board of the need to expend emergency funds. Ms. Cabrera stated that an example of an emergency could be a natural disaster that compromises the safety or health of employees and the workplace. Ms. Cabrera added regarding the requirement to notify the Board, the policy currently states that the Executive Director must advise the Board of these (emergency) expenditures and any budgetary impacts within a reasonable time period. There were no public comments on this item.

Board member Hannon moved approval of the staff recommendation to forward the item to the WMA Board for consideration and adoption. Board member Balch seconded, and the motion carried 11-0.
