

GRANTS DISTRIBUTED TO ORGANIZATIONS THROUGHOUT ALAMEDA COUNTY FROM FY 2013-2019

Grant program funding priorities for FY 18/19 : increase source reduction, reuse, repair, recovery and redistribution of materials and decrease the amount of waste generated,. Funding available to both for profit and nonprofit organizations.

GRANTEE	CITY	AMOUNT	FY	SUMMARY OF GRANT ACTIVITIES
GENERAL GRANTS - Funding for discard related grants no longer offered after FY 17/18				
Bio Integral Resource Center (BIRC)	Berkeley	\$15,000	FY 13	Funding to conduct research on integrated pest management alternatives to pesticide applications in structural pest control, landscapes and agriculture and produce the Directory of Least-toxic Pest Control Products.
Alameda County Child Care Planning Council	Countywide	\$27,354	FY 13	Greening Alameda County preschools. Expand recycling and waste reduction work with preschool teachers and programs throughout the county. Funding for an AmeriCorp intern to refine curriculum for preschools, reach 185 preschool teachers to improve knowledge of 4Rs and provide in depth services to 15 preschools to develop and implement recycling programs.
Clean Water Fund San Francisco (serving all of Alameda County)	Countywide	\$45,000	FY 13	Taking out the Trash (TOTT) - partnership project with 5 Bay Area Jurisdictions focusing on identifying significant sources of trash entering the SF Bay. Funding to reduce disposable service ware by promoting reusables, conducting business audits, developing best management practices and case studies. Project will incorporate 5 Bay Area regions; funding to provide Alameda County ability to participate in project.
Camp Arroyo YMCA	Livermore	\$37,500	FY 13	Funding used to provide 180 Outdoor Education Camperships at Camp Arroyo. Overnight camp provides underserved populations an opportunity to learn about the environment and implement an action project within their communities. Funding provides 4Rs based curriculum for campers as well as for staff compensation, camperships, rent and utilities.
Bio Integral Resource Center (BIRC)	Berkeley	\$15,000	FY 14	Funds to be used to produce BIRC's Directory of Least Toxic Pest Control Products, and provide ongoing technical support to graduates of Bay Friendly Landscape Training Program and others to implement sustainable landscapes and gardens. BIRC's directory and sustainable landscaping resources available on their website will help landscapers maintain their commitment to green, non-polluting techniques.
Fiscal Sponsor: Strategic Energy Innovations for Alameda County Early Care and Education Planning Council	Countywide	\$34,054	FY 14	Greening Alameda County preschools. Funds to be used to partially fund Climate Corp to conduct outreach and trainings to center directors and teachers, provide waste assessments and service change recommendations, provide lesson plans to preschoolers, and compost/recycling bins and reusable tableware.
Civicorps Schools	Oakland	\$45,646	FY 14	Funds to be used to purchase and install a cross belt magnet to increase efficiency of recycling operations. Civicorps is the largest non-profit recycler in Oakland and they operate a Recycling Internship Program that engages 25 East Bay at-risk young adults.
Global Green USA	Albany, Alameda, Emeryville	\$50,000	FY 15	Deploying and Assessing Enhanced Food Scrap Reduction and Recovery Programs at Multi-Family Buildings. Funding to coordinate with city staff in Emeryville, Alameda, Albany to conduct outreach and implementation of food scrap recycling programs at 15 MF buildings reaching 900 units. Will conduct in-depth analysis of food scrap reduction and diversion rate potential in MF buildings.

MedShare	San Leandro	\$40,000	FY 15	Funds to support increased collection of surplus medical supplies throughout Alameda County.
K to College	Alameda County	\$45,000	FY 15	Funds to develop new Green Access Pledge (GAP), a program to provide incentives and outreach to large Alameda County employers to collect computers for reuse (or recycling if not usable) for homeless, foster and other low-income children in the county. Work with CA Prison Industry Authority (e-waste program), Youth Correctional Facility in Stockton (refurbishes e-waste) and K to College to distribute refurbished computers to those in need. Funding to cover start up costs for new program.
Ruby's Place Inc.	Hayward	\$20,000	FY 15	Stop Waste at Ruby's Place Programs. Develop and implement formal recycling and food scrap collection program at their women's shelter, including renovation to infrastructure to allow for organics and recyclable carts. Additional activities include outreach to low income community members on importance of food scrap recycling and small lawn conversion using sheet mulching techniques.
Bay Area Community Services	Oakland	\$5,000	FY 15	Recycling Ambassadors Program (RAP) Funding for staff and materials to implement recycling ambassador program at interim housing program facility that provides short term housing to homeless. Facility operates a commercial kitchen and other social services food programs. Funds to purchase infrastructure to expand recycling in transitional housing, TA team to assist in set up of program.
Berkeley Student Cooperative	Berkeley	\$15,000	FY 15	Food Waste, Composting, and Recycling Program. Funds to expand and increase recycling and composting participation in multi unit apartments, decrease food waste in 17 co-op houses utilizing a variety of waste reduction techniques, standardize education and collection containers in all housing.
Civicorps Schools	Oakland	\$45,000	FY 16	Funds to purchase a new rear-loader truck to expand Recycling Social Enterprise program which will provide service to over 760 County businesses for recycling services and provide job training to at risk youth.
Fertile Groundworks	Livermore	\$15,000	FY 16	Funding to leverage and expand existing composting education and demonstration center enabling grantee to better serve attendees. Funding for composting infrastructure and site upgrades.
Rising Sun	Fremont, Oakland, Hayward, Union City	\$15,000	FY 16	Provide waste diversion education and resources to 1,000 residences in several Alameda County cities as part of a larger, ongoing outreach summer program.
MedShare	San Leandro	\$45,000	FY 16	Hospital Waste Diversion-Reuse Expansion Program. Matching funding to support purchase of new truck to increase capacity to accept and process more medical supplies for reuse.
Civicorps Schools Oakland	Oakland	\$15,000	FY 17	Funds to purchase forklift and expand e-Waste collection reuse and recycling project through targeted marketing campaign.
Rising Sun	Alameda County	\$5,000	FY 17	Rising Sun will provide food waste prevention education and resources to 1,000 households in Alameda County in addition to providing in-depth food waste reduction education to the 42 Alameda County residents who will implement the program as CYES youth employees. The Energy Specialists will be trained on how to introduce the StopFoodWaste website and provide tips on food waste prevention during Green House Calls.
Oakland Housing Authority	Oakland	\$10,000	FY 17	Funds to decrease the volume of waste going to local landfills as a result of illegal dumping at 245 affordable housing properties. Increase individual property diversion efforts through tenant education and outreach.
MedShare	San Leandro	\$50,000	FY 17	Hospital Waste Diversion-Reuse Program. Funds to purchase a "double-mast-reach-truck" forklift. The higher reach will increase efficiency and square footage, and reduce footprint by phasing out off-site warehouse.

The Plant Exchange	Oakland	\$15,000	FY 17	Plant Exchange's mission is to divert large amounts of usable plants from the landfill by developing partnerships with retail and wholesale distributors, and contractors who provide the Plant Exchange with donations of unused plants for the bi-yearly plant exchange. Funding to increase donor outreach and publicity regarding semi-annual plant exchange, and purchase a greenhouse.
City Slickers	Oakland	\$25,000	FY 17	Good as New Garden Project. Funding for staff to develop partnerships with reused materials suppliers for garden builds and community workshops to create awareness about the importance for reusing materials. In addition, workshops on reuse and compost included in program.
Go Green Initiative	Pleasanton	\$15,000	FY 18	The City of Pleasanton will partner with the Go Green Initiative Association (GGI) to hire, train and supervise Pleasanton high school and college students who will work with residential and commercial institutions in Pleasanton to both front and back of the house recycling/composting activities to better implement the Mandatory Recycling Ordinance.
Surplus Service	Fremont	\$15,000	FY 18	Funding to support Surplus Service's new refurbishing division with a Supervisor and two IT Repair Technicians. Expect to repair and resell approximately 500 LCD monitors and TV's monthly from various vendors. Currently 80% of these LCD monitors are recycled. Surplus' target is to decrease this number to 20-30% by repairing, harvesting and replacing the parts.
Sustainable Economies Law Center	Countywide	\$20,000	FY 18	Community composting is a growing industry in Alameda County, with new operations being proposed at urban farms, schools, and other locations, yet the legal and regulatory landscape is more complex than most small-scale composters are aware of as there is no central resource for this information. Grant funds will allow SELC to provide education and resources to urban farmers, composters, landscapers, and food entrepreneurs to understand regulations and codes affecting composting operations in Alameda County.
Habitot Children's Museum	Berkeley	\$15,000	FY 18	Funding to refurbish and expand its Recycling Center exhibit to be combined with a public awareness campaign covering waste reduction, best practices in reducing food waste, creative reuse ideas, and new information about recycling. Expecting exhibit will benefit 50,000 children and adults.

REUSE GRANTS

MedShare	San Leandro	\$15,000	FY 13	Funds to increase reach and impact of their medical reuse program, which diverts medical supplies and equipment out of local landfills. Funds used to support key staff in newly expanded 54,000 sq. ft. distribution and volunteer center in San Leandro to accommodate continued growth in diverting waste.
Loved Twice	Oakland	\$15,000	FY 13	Loved Twice to supply 600 newborns-in-need in Alameda County with gently used clothes for their entire first year of life, resulting in 6,000 pounds (over 45,000 garments) reused. Funds to support Program Manager's salary and to offset rental fees of the Loved Twice warehouse in Alameda County where the donations of reused clothing are stored, sorted and packaged.
Creative Growth Art Center Oakland	Oakland	\$10,000	FY 13	Creative Growth Art Center's adult textile artists with disabilities produced 500 one-of-a-kind reusable bags using salvaged materials. 50% of sales profit from each bag will go back to the individual artist with the remainder going to Creative Growth's general operations fund. Creative Growth will market the bags in their gallery merchandise and website online stores.
Waterside Workshops	Berkeley	\$15,000	FY 13	Street Level Cycles, a project of Waterside Workshops, is a full-service community bicycle shop that combines a do-it-yourself studio with a youth education program. Rebuilt bicycles provide transportation for low-income youth and adults, and bicycle sales generate revenue to support free education programs. Funds will be used for salaries for staff positions for shop operation.

OTX-West (Oakland Technology Exchange West)	Oakland	\$15,000	FY 13	Funds will be used to collect and refurbish computers and computer peripherals, and provide them to Oakland Middle and High School students free of charge, along with a class and technical support. Funds will also be used for their computer collection and refurbishment program staffing.
The East Bay Depot for Creative Reuse	Oakland	\$5,000	FY 13	Implement warehouse and collection improvements in order to maximize space and increase the flow of materials coming into reuse store. Funds to be used to upgrade equipment and fixtures in the warehouse, to augment the salary of a Warehouse Supervisor, and to create a manual of warehouse and donation intake procedures.
South Hayward Parish	Hayward	\$10,000	FY 13	Project Angel Bag - funds to make 500 reusable shopping bags using salvaged materials. Creation of the bags will prevent waste of scrap materials and promote job readiness and skill development for individuals who are homeless or at risk of homelessness.
Loved Twice	Oakland	\$15,000	FY 14	Clothing newborns-in-need in Alameda County with quality reused baby clothes. Loved Twice has collected 98,000 pounds of clothing since 2005. Funds to be used to collect, sort, box and distribute clothing to 600 babies living in poverty in Alameda County, reusing 6,000 pounds of clothing from Alameda County sources.
Waterside Workshops	Berkeley	\$15,000	FY 14	Street Level Cycles program provides a full-service bike shop that operates on 100% discarded bicycles and trains the next generation on bicycle repair. Funding for Street Level Cycles to expand their bicycle repair and reuse program to increase the number of low-income/poverty level at-risk youth in Berkeley participating in their program.
Resource Area for Teaching	San Jose	\$15,000	FY 14	RAFT Re-Use Project. RAFT to collect 15,000 cubic feet of surplus materials from Alameda County businesses to be used in hands-on educational curriculum and kits. Will offer workshops to at least 100 Alameda County teachers. Funds to be used towards the salary of one of their drivers who collects materials from Alameda County businesses.
Loved Twice	Berkeley	\$15,000	FY 15	Clothing newborns-in-need in Alameda County with quality reused baby clothes. Project to clothe 600 babies, reusing 3 tons of clothing equivalent to 45,000 garments distributed and reused.
Wardrobe for Opportunity	Oakland	\$15,000	FY 15	Find a Job Program. Collect donations of professional clothes and redistributes to low-income, job-seeking clients. 32,000 items of clothing reused each year reaching 2,000 unemployed members.
Computer Technologies Program	Oakland	\$15,000	FY 15	Funds used to create a Computer Access for Nonprofits program where 10 small nonprofit entities working with under-served population would receive a computer lab with refurbished laptops/computers as well as IT support for computer lab.
Urban University	Oakland	\$15,000	FY 15	Expansion and job training programs. Funds to expand reuse store by securing warehouse for inventory and develop additional job training programs to help single moms move from public assistance to full-time work. Urban University operates two reuse furniture stores in Oakland that serve as a platform to deliver transitional employment through reuse stores.
Resources Area for Teaching (RAFT)	San Jose	\$15,000	FY 15	RAFT Re-Use Project. Increase outreach in Alameda County to grow the amount of materials donated from the county and add new organizations to donor list. Funding to be used to offset driver's salary.
Computer and Technology Resource Center	Berkeley	\$15,000	FY 15	Collect and expand reusable e-waste program. Funds to expand e-waste pickup beyond City of Berkeley into Albany, Emeryville and North Oakland. Funding to marketing and vehicle to pick up materials.
Oakland Public Education Fund (OTX fiscal project)	Oakland	\$15,000	FY 15	Reuse or safe recycling of more than 150,000 lbs. of e-waste annually. Surplus computers and related electronics are refurbished and provided to OUSD schools, students, families. Up to 2000 computers collected/refurbished year.

Move For Hunger	Countywide	\$5,000	FY 15	Food Donation and Delivery Program for Relocation Industry of Alameda County. Expand program through education, materials. Funding to cover costs of food collected and transferred to food bank from long-term stay facilities utilizing the moving companies who move occupants out of long term facilities.
Tri-Valley Haven for Women	Livermore	\$15,000	FY 15	Tri-Valley Haven's Thrift Store to utilize funds to increase sales of donated items, promote recycling and reuse strategies in community. New organization - need assistance to establish detailed process of accepting and sorting donations from public to reduce waste; to hold two trash to treasure workshops to promote reuse.
Goodwill Industries of the Greater East Bay	Countywide	\$15,000	FY 15	Recycling & Resource Recovery Program in Alameda County. Funding for financial support of staff responsible for developing reuse opportunities at thrift stores.
Waterside Workshops	Berkeley	\$15,000	FY 15	Street Level Cycles community bicycle shop utilizes donated and discarded bicycles as raw material to teach youth valuable job skills to learn how to rebuild bicycles using salvaged materials. Provides services to low-income youth and adults.
Loved Twice	Oakland	\$10,000	FY 16	Clothing newborns-in-need in Alameda County with quality reused baby clothes. Project to clothe 600 babies, reusing 3 tons of clothing equivalent to 45,000 garments distributed and reused.
Wardrobe for Opportunity	Oakland	\$10,000	FY 16	Find a Job Program. Collect donations of professional clothes and redistributes to low-income, job-seeking clients. 32,000 items of clothing reused each year reaching 2,000 unemployed members.
Tri Valley YMCA	Dublin	\$15,000	FY 16	Funding to support expansion of collection program of surplus goods to be distributed to those in need in the Tri-Valley area. Funds will provide additional staffing for program activities.
Waterside Workshops	Berkeley	\$10,000	FY 16	Street Level Cycles community bicycle shop utilizes donated and discarded bicycles as raw material to teach youth valuable job skills to learn how to rebuild bicycles using salvaged materials. Provides services to low-income youth and adults.
Loved Twice	Berkeley	\$15,000	FY 17	Clothing newborns-in-need in Alameda County with quality reused baby clothes. Project to clothe 600 babies, reusing 3 tons of clothing equivalent to 45,000 garments distributed and reused.
Waterside Workshops	Berkeley	\$15,000	FY 17	Street Level Cycles community bicycle shop utilizes donated and discarded bicycles to teach youth valuable job skills. They learn how to rebuild bicycles using salvaged materials. Provides services to low-income youth and adults.
ReUse People	Oakland	\$15,000	FY 17	Attract new customers and sell more salvaged building materials for reuse at the newly expanded site shared with Habitat for Humanity. Funds will be used to cover costs of newly expanded retail space and receiving area, including "grand opening" event in the summer.
Habitat for Humanity Restore	Oakland	\$15,000	FY 17	Increase warehousing facility to support growing influx of donated materials. Convert large warehouse space into retail sales areas.
East Bay Depot for Creative Reuse	Oakland	\$15,000	FY 17	Targeted business outreach in Alameda County to expand the East Bay Depot's donation solicitation activities to include more businesses, corporations and manufacturers. This program will educate local businesses and manufacturers on the importance of reuse rather than disposal, and will divert unnecessary waste from the landfill by providing businesses with an outlet to repurpose their surplus materials.
Oakland Public Education Fund/Tech Exchange	Oakland	\$10,000	FY 18	Capital grant to support the organization's purchase of a used truck to implement and grow successful electronic reuse program. Owning a truck will enable Tech Exchange to expand operations within Alameda County, create organizational efficiency, and save money each month on truck rental and associated costs.

Grateful Gatherings	Countywide	\$10,000	FY18	Grateful Gatherings' mission is to improve lives by providing gently used furniture and household goods to be reused for low-income families transitioning out of homelessness, crisis, and poverty. Funding to be used for support for staffing to develop and expand all gathering events.
MedShare	Countywide	\$20,000	FY 18	MedShare recovers and reuses medical supplies from Bay Area Hospitals and redistributes them both in the Bay Area and abroad. Funds to support MedShare's Medical Supply Recovery Program including general operating expenses needed to pick up supplies at over 50 hospitals, as well as other related logistics costs.
California Product Stewardship Council	Countywide	\$15,000	FY 18	The Refuel Your Fun campaign promotes refillable 1 lb. propane cylinders, which save consumers and the government money by reducing the source of disposable cylinders. Funds will be used to recruit and promote retailers and refillers in Alameda, as well as providing residents with free refillable cylinders.
Waterside Workshops	Berkeley	\$15,000	FY 18	Street Level Cycles reuses discarded bicycles in their youth job-training program which repairs bikes for sale as well as a free do-it-yourself public bike repair shop. Rebuilt bicycles provide green transportation for low-income youth and adults, and bicycle sales help support our free education programs. StopWaste funding will support staff for operations and youth instruction.
Loved Twice	Berkeley	\$10,000	FY 18	Clothing newborns-in-need in Alameda County with quality reused baby clothes. Project to clothe 600 babies, reusing 3 tons of clothing equivalent to 45,000 garments distributed and reused.
East Bay Depot For Creative Reuse	Oakland/County wide	\$10,000	FY 18	Estate Reuse Services is a personalized estate clearance program designed to provide Alameda County residents dealing with challenging life transitions with a convenient resource to ecologically dispose of personal property. Residents choose from three levels of estate services provided by Depot staff. Items from the home are donated to the Depot and other nonprofit organizations for reuse. Funding to support expansion of the Estate Reuse Services.
Bay Area Redwood Hayward	Hayward	\$15,000	FY 19	Funds for storage and operations to divert trees from urban environments into upcycled wood products including live-edge slabs, beams, siding, etc.
California Shakespeare Theater Berkeley	Berkeley	\$8,500	FY 19	Funds to build reusable stock set pieces that will reduce the amount of construction waste sent to landfill by approximately a half ton per year every year for the foreseeable future.
Child Care Links	Pleasanton	\$15,000	FY 19	Funds to expand and improve Pleasanton-based program that collects big box store returns as well as gently used household items and clothing donations for redistribution to families in need.
Community Action for a Sustainable	Alameda	\$6,266	FY 19	CASA will offer Repair Cafe events in Alameda to provide opportunities for residents and businesses to repair broken items that would have otherwise been sent to landfill. Provides an opportunity for community members to learn repair skills and keep durable items in use instead of recycling or throwing away.
Community Impact Lab	San Leandro	\$15,000	FY 19	Funds to support collection of over 10 tons of donated textiles, fabrics, toys and baby supplies annually through the Baby Box Program offered to vulnerable populations. Project includes repair and repurpose of damaged goods for donation and retail purposes.
East Bay Depot for Creative Reuse	Oakland	\$10,000	FY 19	Funds to expand and implement the Estate Reuse Service program that provides Alameda County residents dealing with challenging life transitions with a convenient resource to responsibly dispose of personal property. Items from the home are donated to the Depot /nonprofit for reuse.

Ecology Center	Berkeley	\$45,000	FY 19	Reusable Food ware Pilot to develop a replicable reusable food ware pilot to further reduce single-use disposable food ware, and create a model for city-wide and regional adoption. Will build on Berkeley's Single Use Disposable (SUDS) and Litter Reduction Ordinance.
Filljoy LLC	Alameda and Oakland	\$15,000	FY 19	Funds to pilot Filljoy software at three Alameda County grocery stores that offer bulk purchasing options. Filljoy is a technology solution that simplifies and encourages bulk shopping by utilizing apps available on smartphones.
GO Box SF Bay	Oakland Project	\$9,500	FY 19	GO Box offers reusable food ware containers in place of single use disposal items. Funding to conduct outreach and secure food truck vendors to pilot Go Box services at Oakland's First Friday event. Multiple partners will be used.
Habitat for Humanity ReStore	Oakland	\$10,000	FY 19	Funds communications/outreach campaign to promote the ReStore and the variety of salvaged, donated and reused items for sale. Campaign will encourage people to visit the Restore as well as educate residents about the importance of reuse and donations.
Loved Twice	Berkeley	\$10,000	FY 19	Loved Twice will use funds to reduce the amount of waste going to landfills in Alameda County by collecting and distributing 7,000 pounds of gently used baby garments and keep newborn babies clean and warm through their first year of life by providing a wardrobe-in-a-box for 700 newborns-in-need in Alameda County, totaling 52,500 essential garments.
MedShare	San Leandro	\$20,000	FY 19	Funding to develop a Biomedical Equipment Lending Library which will increase donations from hospitals and manufacturers to MedShare. Biomedical equipment is regularly sold to secondary markets or destroyed as part of in-place contracts. Funds will allow staff to work with medical facilities to create contracts for donation to MedShare and divert from landfills/resale.
Rebuilding Together East Bay-North	Berkeley	\$10,000	FY 19	Funds to train and supervise 500 volunteers and 30 clients yearly to salvage reusable building materials instead of sending to landfill/recycling.
Resource Area For Teaching (RAFT)	San Jose (receives materials from South County)	\$10,000	FY 19	RAFT will use funds to secure and collect material donations from Alameda County manufacturers for reuse in their large warehouse and educational kits. RAFT provides materials, kits and curriculum for students and teachers using salvaged and reusable materials. Funds will help provide schools with upcycled materials for studies and experiments.
Reuse Alliance Inc.	County wide Service Area	\$20,000	FY 19	Funds will expand Agency's database of Alameda County reuse enterprises and their activities to improve upcycling infrastructure in Alameda County. They will assess the current infrastructure and identify what is needed to enhance the reuse and repair sector to meet Alameda County's climate and waste reduction goals.
Surplus Service	Fremont	\$15,000	FY 19	Funds to reuse instead of recycling hard disk drives (HDD) by wiping the HDDs coming into facility instead of sending to shredders. This allows HDDs to be utilized for their full life span. Funds to help offset purchase of required data sanitization and data security equipment.
Urban University (UU)	Oakland	\$10,000	FY 19	Funds to support reuse UU's social enterprise serving homeless single mothers through an innovative impact model combining employment, housing and support services. Program supported by operation of urban furniture & boutique comprised of donated household goods, clothing and corporate donations of items destined for landfill.
Waterside Workshops (WW)	Berkeley	\$10,000	FY 19	Funds for WW's Street Level Cycles program which sources and reuses discarded bicycles in a youth job-training program and provides a free do-it-yourself public bike repair shop. Rebuilt bicycles are both sold for program support and donated to low-income youth and adults for green transportation.
Upstream	Countywide	\$20,000	FY 19	Coordinate regional activities around reusable food ware opportunities for implementation countywide.

MINI GRANTS				
Alameda County GSA, County-wide	Countywide	\$1,182	FY 13	Funds to print paper towel reduction stickers for County buildings to reduce consumption.
Alameda Theatre	Alameda	\$2,900	FY 13	Funds to develop a pre-movie PSA about composting popcorn and food waste at theater.
Connect the Dots (Earth Island Institute, Fiscal Agent)	San Leandro	\$5,000	FY 13	Funds to collaborate with Mercy Housing to offer recycling and composting support for multifamily buildings.
Las Positas College	Livermore	\$5,000	FY 13	Funds to purchase Earth Tub composter and food scrap collection containers to compost post consumer food waste generated at the site.
Alameda Backyard Gardeners	Alameda	\$3,400	FY 14	Funds used to support organization that salvages fruit from backyard trees for donation to Food Bank, develop tour and community outreach materials.
BlueSkies for Children,	Oakland	\$750	FY 14	Funds to purchase compost collection bins for preschool.
Hayward Area Recreation and Park District,	Hayward	\$5,000	FY 14	Funds to develop baseline water bottle usage, install water hydration stations to reduce plastic water bottle consumption in district and assess effectiveness of stations for water bottle reduction.
Valley Montessori	Livermore	\$1,577	FY 14	Funds to purchase organics collection containers for classrooms to complement existing recycling containers.
Oakland Hebrew Day School,	Oakland	\$4,880	FY 14	Funds to purchase recycling containers, signage and prizes to increase recycling at school.
Planting Justice,	Oakland	\$5,000	FY 15	Funds to purchase materials for raised bed construction for vegetable starts and compost bin construction materials.
Livermore Valley Joint USD	Livermore	\$1,200	FY 15	Funds to develop baseline water bottle usage, install water hydration stations to reduce plastic water bottle consumption in district and assess effectiveness of stations for water bottle reduction.
Good News Bears,	Livermore	\$3,000	FY 15	Funds to develop marketing video compilation to promote collection of gently used stuffed toys for distribution to hospitalized children.
The Crucible	Oakland	\$5,000	FY 15	Funds to support summer youth bike repair program that salvages and repairs broken bicycles for at-risk youth.
Bagito/Reusable Solutions Group Inc.	Santa Cruz/San Leandro	\$5,000	FY 16	Funds to support pilot project for two-way reusable shipper bags to replace single use poly shipping/mailer bags for on-line clothing reuse company.
The Fix it Clinic	Countywide	\$5,000	FY 16	Organize and host fix it clinics throughout Alameda County to promote repair of everyday household items in a clinic setting.
California Invasive Plant Council	Berkeley	\$5,000	FY 16	Funds to develop invasive plant list to streamline the process for landscape professionals to check plant lists for compliance with California green building code.
Eat Real Festival	Oakland	\$5,000	FY 17	Funds to provide food waste prevention outreach activities at large food festival.
Go Box SF Bay	Oakland	\$5,000	FY 17	Funds to increase Go Box reusable container participants as well as secure more restaurants/vendors offering Go Boxes.
Kids Scoop News	Fremont, Hayward	\$5,000	FY 18	Funding provides increased distribution of Kids Scoop Newspaper to classrooms in Hayward and Fremont School Districts. Recycling and composting articles adapted for Newspaper for the entire school year.
Eat Real Festival	Oakland	\$5,000	FY 18	Funds to support implementation of food waste prevention activities with Festival vendors.
Bio Link Depot	Oakland	\$5,000	FY 19	Funds to support Bio Link for transportation logistics for pick up and drop of donated biomedical materials for distribution to educational facilities/classrooms.
Cup O'Sugar	Hayward	\$5,000	FY 19	Outreach to 50 multifamily properties promoting new foodshare app that allows neighbors to share perfectly good food ingredients and produce that would otherwise be composted or landfilled.

FOOD WASTE PREVENTION GRANTS

Food Shift/OUSD Oakland	Oakland	\$30,000	FY 13	The goals for the OUSD Food Donation Pilot Program are to pilot a sustainable, replicable food recovery and donation program that will eventually be incorporated into all schools within OUSD; educate and empower students, parents, and teachers around food loss; capture lessons learned and data on wasted food and waste disposal costs; and create a model for replication in other districts. Funds will be used for staffing, cover costs for food pick up and delivery and admin fees.
Oakland Unified School District "Green Gloves" Oakland	Oakland	\$25,000	FY 13	Project to incorporate a K-12 school district model/approach to change behavior, ordering, production and distribution of food that may end up as waste in Food Service Operations at OUSD. Funds to be used to purchase refrigerators to keep donated food fresh, professional development stipends, salaries, transportation costs, and equipment/materials too keep food cold during transfer.
Alameda County Food Bank Oakland	Countywide	\$20,000	FY 13	The Grocery Rescue Program: Recovering Food to Feed Hungry People in Alameda County creates partnerships with local grocery stores and Food Bank network agency members to arrange the recovery of high quality food from grocery stores that is damaged or close to its use-by date. Funds will be used for salaries, food protection equipment and scales.
Hope 4 the Heart	Hayward	\$20,000	FY 14	Hope 4 the Heart receives surplus food and product donations from regional companies including Safeway, Peet's Coffee & Tea, local bakeries, Trader Joes, catering companies, etc. and distributes millions of pounds of food a year to food-insecure families through 100 Bay Area organizations and directly to individuals and families from the Cherryland neighborhood. Hope 4 the Heart will use this grant funding to support the operational expenses of their expanded food distribution program by supplementing transportation and warehouse operating costs to reach more than 550,000 people during the duration of the grant including expanded distribution of emergency food boxes to local low-income individuals and families.
Alameda County Food Bank Oakland	Oakland, Countywide reach	\$20,000	FY 14	The Alameda County Community Food Bank will continue expansion of the Food Bank's Grocery Rescue Program. Funding will allow the Food Bank to increase food donation by 50% (1,800,000 pounds annually) and connect Alameda County member agencies in need of food with neighborhood grocery stores who can offer donated food items directly to the member agency. In addition, funding will support the Food Bank's newly adopted Strategic Plan significantly increasing the Retail Store Donation Program participation by more than 70%.

Northern California Recycling Association (NCRA)	Alameda County	\$19,000	FY 15	Funding for this research project will reduce the amount of edible food that goes to waste generated by large institutional kitchens and/or high volume food service operators in Alameda County by promoting source reduction and facilitating the donation of edible food to feed people and/or animals. NCRA will survey wasted food generators, food recovery organizations and animal feed operations in or serving Alameda County, while researching communication vehicles to reduce wasted food such as social media, online tools, apps, etc. Barriers, findings and lessons learned will be summarized in a final research report.
Tri City Volunteers	Fremont, Newark Union City	\$30,000	FY 16	Tri City Volunteer's Clients Choose program will reduce wasted food by setting up a client choice food distribution model. TCV is the largest direct-to-client hunger relief organization in Alameda County, serving over five million meals annually to over 16,000 low-income residents of Fremont, Newark and Union City.
Tri Valley Haven	Livermore	\$20,000	FY 16	Funding to expand Food Pantry grocery rescue program by increasing the amount of grocery rescue pickups that the food pantry conducts every week. Grant would help reduce the amount food waste from area grocery stores and better serve more people experiencing hunger.
Hope for the Heart	Hayward	\$20,000	FY 16	Funds to assist Hope 4 the Heart to expand the pick up and distribution of prepared food as well as procure new avenues in the prepared food rescue program. Grant will allow Hope 4 the Heart volunteers to develop new partnerships with restaurants, catering companies and small cafes to keep prepared food from the landfill.
Alameda County Food Bank Oakland	Countywide	\$20,000	FY 16	Grocery Rescue Program: Recovering Food to Feed Hungry People in Alameda County. This program directly puts more food into the hands of those who need it and provides grocery stores an operational and financial benefit from shipping food waste to Alameda County landfills.
Daily Bowl	Tri-Cities	\$25,000	FY 17	Funding to expand operations to rescue produce and prepared food from retail/food service and redistribute to nonprofits serving the Tri-City area. Funding will provide large capacity van and other supplies to double recovery efforts.
Replate	Countywide	\$10,000	FY 17	Replate Food Recovery Efforts- Funding will amplify current food recovery efforts in Alameda County by focusing marketing to 30-40 potential companies in county and allocating resources towards developing a web platform to further develop their peer to peer food sharing platform in AC.
Alameda County Community Food Bank	Countywide	\$25,000	FY 17	Grocery Rescue Program- Funding will increase food donation/recovery through the Grocery Rescue Program (GRP) and launch a real-time donation pilot to recovery infrequent food donations such as prepared food. Anticipated outcomes for GRP- 3.7 million meals to people, or 4.4 million lbs. of surplus food diverted from landfill. Outcomes for Meals Connect Pilot- create and test process for GRP partners to accept infrequent food donations with 3 member agencies, 25 retail stores, recovering 55k lbs. (45k meals).

Move for Hunger	Countywide	\$15,000	FY 18	Move For Hunger mobilizes the relocation industry to fight hunger and reduce food waste. Funds will help to expand its relocation partnerships in Alameda County while launching its new Apartment Program, in partnership with StopWaste, to raise awareness and responsiveness for the issues of hunger and food waste.
Tri Valley Haven	Fremont, Newark Union City	\$20,000	FY 18	Funding to support Tri-Valley Haven's desire to expand its Food Pantry efforts in both the number of Grocery Rescue pickups conducted each week, reducing the amount of food waste from area grocery stores. In addition, funding will allow an increase in the number of locations served by the Mobile Pantry program.
Replate	Berkeley	\$20k	FY 19	Replate's technology platform enables businesses to schedule on-demand pickups for their surplus food. Replate's food rescuers bring donated food directly to those experiencing food insecurity in Bay Area communities. Funds will be used to improve platform and keep pace with current demands.
Hope 4 the Heart	Hayward	\$20k	FY 19	Hope 4 the Heart provides food, produce, diapers, and household items to local families who are experiencing food insecurity by distributing pallets of food to over 100 churches, schools, and nonprofit organizations every week, free of charge. Funds will support rescuing an additional 185 tons of edible food across Alameda County networks.
Tiburcio Vasquez Health Center, Inc.	Hayward	\$20k	FY 19	Funds will assist TVHC to develop a model food donation program with a nutrition education component which will help ensure that recipients of recovered food are able to make healthy food choices and use proper food preparation methods to prevent wasted food.
East Bay Food Justice Project, aka Food Not Bombs	Various homeless encampments in Berkeley and Oakland	\$10k	FY 19	Funds to support the collection and distribution of produce and prepared food that would otherwise be wasted. Food will be transformed into healthy vegetarian meals to be served free of charge to the public. Food Justice serves hot meals seven times a week to the public at fixed locations in Berkeley and Oakland, and deliver prepared food to homeless encampments.
Daily Bowl	Fremont, Union City, Newark, Hayward	\$20k	FY 19	Funds used to support programs that incorporate collecting prepared food from commercial establishments, grocery stores and eating establishments and distribute to local non-profit food pantries.
The Berkeley Food Network (BFN)	Berkeley	\$20k	FY 19	Funds to support BFN's Food Recovery Program that recovers food that would otherwise have gone into the waste stream from food retailers, distributors, and producers in Berkeley and nearby municipalities. The program ensures that the food is used in the highest and best use, primarily to feed people in Berkeley experiencing food insecurity.
