

# STOPWASTE

May the 4Rs Be With You Contest 2024

## Saanvi P.

5<sup>th</sup> grade, Fremont

**My 4Rs: Rethink, Reuse, Refresh, and Reflint**

## My (Re)Generation Action Story:

These R's represent the future and I choose this for reasons such as demonstrating how we can think again before throwing trash on the floor, to reuse this material which we are going to throw, to relax about all our stress and let it melt away with saving the animals from trash and to make our lands pollution decrease.
