

DATE: October 8, 2020
TO: Alameda County Source Reduction and Recycling Board
FROM: Arliss Dunn, Clerk of the Board
SUBJECT: Election of First Vice President for 2020

SUMMARY

The Recycling Board needs to elect a new First Vice President to replace Jillian Buckholz, who has resigned and vacated her seat on the Recycling Board.

DISCUSSION

The Rules of Procedure call for election of officers in December for the next calendar year, "...or such other time as the Board may decide when an officer departs the Board." The Board's past practice has also been to alternate WMA and Board of Supervisors appointees for each position; that is, if the President is a WMA appointee then the First Vice President would be a citizen expert appointed by the Board of Supervisors and the Second Vice President would be a WMA appointee. Currently, Deborah Cox (WMA) is President and Francisco Zermeño is Second Vice President. The Board is not obligated to follow past practice.

RECOMMENDATION

Elect a First Vice President for the remainder of 2020.
