holidays. The direction from the Board was to have language added to our benefits and human resources manual to articulate to staff the purpose of floating holidays which essentially can be used at employee's discretion, including personal reasons, cultural significance, or religious observances. Staff clarified that message in the agency benefits and human resources manual and will also communicate this policy with staff at an upcoming all staff meeting. Additionally, we compiled a list of significant cultural holidays and observances, akin to the list from the City of Berkeley, as we want to avoid scheduling any board committee meetings or other significant meetings that overlap with days of cultural religious significance. We've compared this list to our board meeting dates, and there does not appear to be any conflicting dates. We will review the list each year as we schedule Board and committee meetings.

Board member Sadoff moved for approval of the Consent Calendar. Board member Haubert seconded, and the motion carried 11-0. The Clerk called the roll. (Ayes: Balch, Carling, Goldstein, Hannon, Hansen-Romero, Haubert, Hernandez, Sadoff, Shao, Wengraf, Young. Nays: None. Absent: Cavenaugh. Abstain: None)
