VI. REGULAR CALENDAR

1. StopWaste Grants Awarded in Fiscal Year 2020-21 (Meri Soll, Cassie Bartholomew & Michelle Fay)
   This item is for information only.

Timothy Burroughs provided an introduction to the presentation and introduced the grants team: Meri Soll, Cassie Bartholomew, Meri Soll, Michelle Fay and Adrienne Ramirez, and thanked them for their efforts. Ms. Soll, Ms. Bartholomew, and Ms. Fay provided a PowerPoint presentation. Brette Waters, Program Director, Chefs to End Hunger, and Liana Orlandi, Program Grants Manager, Agricultural Institute of Marin (AIM), were present to provide an overview of how the StopWaste grants program supports their organizations and helps them to advance their sustainability goals. A link to the report and presentation is available here: Grants-Presentation.pdf. An audio link to the discussion is available here: Grantee-Discussion

Board member Carling expressed congratulations to the grants team and inquired if the cardboard and aluminum that Chefs to End Hunger is using is recyclable and if they are considering moving to using reusable packaging. Ms. Waters stated that currently they do not have the means to clean/sanitize reusable packaging and are using the cardboard or aluminum to adhere to food safety standards. The cardboard is recyclable and they try to minimize using single use packaging. Board member Zermeño encouraged staff to reach out to St. Rose Hospital in Hayward to explore potential opportunities for collaboration on food waste reduction efforts, similar to efforts underway at Washington Hospital (a StopWaste grantee). Board member Zermeño added that he would like the Board to increase the grants program funding next year. President Hoover thanked staff and the presenters for their presentations.
