This item is for information only.
Wendy Sommer, Pat Cabrera, and Timothy Burroughs presented an overview of the FY 2021-2022 budget. A link to the presentation is available here: FY-2021-2022-Budget-Presentation.pdf

Ms. Sommer stated that over the last six years the agency has been in a solid position with a healthy fund balance. In 2006, when Ms. Sommer assumed the role of Executive Director, the agency anticipated a rapid decline in revenue possibly leading to a fiscal cliff. Projections stated that the agency would be operating at a deficit in 2020 unless fees were increased, new fees were adopted, or a reduction in the workforce was implemented. Through reassessment, revisions, and staff dedication, the agency was able to reduce spending and increase outside funding sources. The goal was to match expenditures with revenues by FY 2021-2022. This goal was met two years earlier than projected.

Ms. Cabrera provided a summary of financial highlights and Timothy Burroughs provided an overview of programs. Board member Hannon suggested considering a premium fee for out-of-county tonnage as landfills reach capacity. Board member Zermeño and Havel inquired about increasing grant funds as it is helpful during Covid-19. Ms. Sommer stated that the Agency is increasing grants for the upcoming fiscal year from $615,000 to $649,000. Board member Hannon suggested that StopWaste develop a program to assist the County with illegal dumping. Jeff Becerra clarified that the Agency currently supports the County in an educational role and is incorporating illegal dumping within existing projects, particularly the Re:Source tool and school projects. Related to illegal dumping, the topic brief of the month is on Bulky Items Disposal.

Additional time was provided for Board members to ask clarifying questions and there were no changes or revisions to the budget. Ms. Sommer thanked the Board members for their leadership and recognized staff for their efforts in producing the budget.

There were no public comments on this item. President Cox thanked staff for the presentation.
