**DATE:** June 22, 2022

**TO:** Waste Management Authority Board

**FROM:** Pat Cabrera, Administrative Services Director

**SUBJECT:** Public Hearing and Annual Adoption of Fee Collection Report for Household Hazardous Waste Fee

---

**SUMMARY**

At the June 22, Waste Management Authority meeting, staff will ask the Board to adopt the FY 2022-23 fee collection report, as required by the Household Hazardous Waste Collection and Disposal Fee Ordinance.

**BACKGROUND**

At the May 29, 2014, WMA meeting, the Board adopted HHW Ordinance 2014-1: "Ordinance Establishing a Household Hazardous Waste Collection and Disposal Fee." This fee, in combination with the HHW landfill tip fee, supports the four HHW facilities (Fremont, Hayward, Livermore, and Oakland), as well as annual one-day collection events throughout the county.

Under the Ordinance, a Fee Collection Report must be approved by the WMA Board each year prior to placing the fee on the Alameda County property tax roll. A proposed Fee Collection Report (FCR) was publicly noticed earlier this month. The purpose of the notice of the proposed FCR is to allow residential property owners subject to the fee to provide updated information about the number of units on their property, since the fee applies to each unit. The 2022 Fee Collection Report includes changes that property owners have requested throughout the year and during the review of the 2022 Fee Collection Report. Requests for changes have been included in the proposed FCR as indicated in the draft linked below. The Fee Collection Report lists all the parcels in Alameda County subject to the fee together with the fee amount for the parcel. The 2022 Fee Collection Report may be viewed at: [HHW-Fee-Collection-Report](#) (please be aware that the file is very large and will take time to download).

As background, the fee was initially set at \$9.55 per residential unit per year, subject to an annual recalculation. On September 25, 2019, the Board amended Ordinance 2014-01 to remove the annual fee recalculation and lower the fee to \$6.64 per residential unit per year. This annual fee will be effective through June 30, 2024, at which point it will be recalculated for the subsequent five years based on HHW program operational and funding needs, subject to the \$9.55 cap in the Ordinance.

**RECOMMENDATION**

That the WMA Board hold a public hearing on the Fee Collection Report and approve by resolution the Fee Collection Report for FY 2022-23.
