

The RE:Source Guide

StopWaste's [RE:Source Guide](#) is Alameda County's one-stop shop for answers on what to do with an unwanted item. The Guide provides easy access to information on proper disposal with the goal of maximizing the benefits of compost, reuse, repair and recycling, while minimizing contamination from items going in the wrong bin.

The RE:Source Guide is regularly updated for accuracy and breadth of information. Current features include:

- Comprehensive curbside services information for all Alameda County jurisdictions
- Inclusion of bulky pickup information and illegal dumping reporting mechanisms
- Nearly 3,000 service vendors for reuse, repair, recycling and safe disposal
- In depth [Material Fact Sheets](#) on topics such as furniture repair and safe disposal of common household hazardous waste
- A list of [Food Recovery Organizations and Services](#) to meet SB 1383 requirements
- Information provided through a partnership with the California Product Stewardship Council to expand reuse and repair textile services
- Additional curbside data and vendors from jurisdictional partners Contra Costa County and the City of Palo Alto

The RE:Source Guide is available from the [StopWaste homepage](#), and on the app stores for [iOS](#) and [Android](#).

Along with standard curbside service, [RE:Source also provides answers](#) for bulky pickup, debris box, and other special options tailored to each location in Alameda County.

The RE:Source [material fact sheets](#) provide a growing library of in-depth information for the trickier items.
